

<b>Brief and comments on the new website of Minor Irrigation Census being developed by NIC</b>				
<b>S. No</b>	<b>Menu</b>	<b>Sub Menu</b>	<b>important points of the current sub menu</b>	<b>Remarks of MI(Stat) Wing</b>
1	Home	-	Brief introduction about the need and importance of Minor Irrigation Census has been given in two Paras. It has been mentioned that there are five types of MI Schemes. However, from 5th MI Census we have six types of MI Schemes, viz. dugwell, shallow tubewell, medium tubewell, deep tubewell, surface flow and surface lift schemes. Reference year and States/ UTs covered upto 4th MI Census has been given in 2nd para. The same has to be given for 5th MI Census also.	Updated material for this sub menu is attached.
2	"MI Schemes" to be renamed as "MI Census"	Introduction	In this sub menu introduction and detailed background of MI Census has been given upto fourth MI Census. A brief about the parameters covered in Integrated tables and Scheme wise tables is also mentioned in the last para	These two menus may be merged in one i.e. "Development of Minor Irrigation and its Organisations in the State" for which modified and updated material is enclosed.
3		MI Programs & Org. in States	A brief detail of MI programs & Organisations in the States which has been given is to be updated	
4		Methodology	Methodology of conducting MI Census is given which is to be updated.	Updated material for this sub menu is enclosed
5		Concept and definition	PDF file is given having Concepts and Definitions. It is very old.	This sub menu is not required as Concept and Definition is part of Instruction Manual.
6		Schedules	PDF file of schedules of 6th MI Census has been given in this link.	Schedules of each Census may be given separately with separate hyperlinks in this sub menu

S. No	Menu	Sub Menu	important points of the current sub menu	Remarks of MI(Stat) Wing
7		Instruction Manuals	Instruction manual is not attached here.	Instruction Manuals of each Census may be given separately with separate hyperlinks in this sub menu
8	Dashboard	Dash Board	Few parameters have been displayed here.	The MI(stat) Wing will send the parameters to be displayed and related material for Dashbord .Till then, this Link may be removed from the Web site.
9				A new Menu titled "Reports" is to be added which have All India Reports in pdf format from 1st to 5th MI Census in separate sub-menus in this Menu.
10	"Reports" to be renamed as "Tables"	National Tables	This sub menu is having scheme wise National tables from 1st to 5th MI Census.	In National and State Tables, an option "Key parameters of MI Census" may be added above 5th MI Census in the drop down box for which material is attached.
11		State Tables	This sub menu is having scheme wise State tables from 1st to 5th MI Census. But hyperlink of report of 1st Census is displaying "No record found".	
12	Photo Gallery	-	Currently blank	Photographs of various types of Minor Irrigation Schemes may be displayed here. Photo shall be given by MI(Stat) Wing.
