

## **Awareness program for Journalists**

Atomic Energy Regulatory Board (AERB), as a part of its public outreach activities organized an awareness program for the journalists' of Mumbai metropolitan region at Niyamak Bhavan-A, AERB, Anushakti Nagar on September 20, 2022. The objective of the program was to apprise the journalists on the importance of safety regulation in the use of Nuclear energy and ionizing radiation. The program included brief lecture to the journalists, followed by questions and answers session and exhibition. AERB invited HWB to participate in the program by installing a Stall on the products and services of HWB.

Chairman, Standing Committee on Public Outreach Programs of HWB in consultation with Chief Executive, HWB accepted the invitation. Accordingly HWB stall was set up along with that of NPCIL, BRIT & AERB in Niyamak Bhavan-A, Anushakti Nagar.

Around 38 journalist attended the program. Journalists were apprised about the functioning of AERB, its importance and present scenario of Nuclear Energy generation in country. At 13:30 Journalists visited exhibition. At HWB stall journalists were explained about the activities of HWB, products and services offered by HWB and safety regulations being followed by HWB. In afternoon session, employees of AERB visited exhibition. The event was covered by PIB, Loksatta, Dabang Duniya, Sahyadri TV channel etc in their next day edition.
