

National Union of Journalists' meet at Hyderabad

Public Awareness Division, DAE organized a workshop for journalists at Hyderabad during 20/07/2022 to 23/07/2022 in coordination with AMD, UCIL, NFC & ECIL. Noted journalist from all over India were invited to take part in the program which included exhibition on various technologies and lectures of scientists from different wings of DAE including HWB.

The main objective of this workshop was to create awareness among media fraternity about the activities of DAE. Around 33 journalist nominated by National Union of Journalist, Delhi took part in the workshop.

On 20/07/2022 at 18:00 hrs a curtain raiser program was arranged for all the journalists wherein unit heads Dr. Deepak Kumar Sinha Director AMD Hyderabad, Rear Admiral Sanjay Chaubey, CMD ECIL Hyderabad, Dr. Dinesh Srivastava Chairman & Chief Executive NFC Hyderabad and Shri P. K. Parhi, GM, Projects-South, UCIL addressed the gathering. This was followed by introduction of all journalists and a lecture by Dr. Rajesh Vatsa, Head, PAD.

In the morning, session on 21/07/2022 started with address from Director, AMD in AMD lecture hall. This was followed by lectures by scientists of AMD, UCIL, NPCIL & BARC for journalists.

At 14:15 hrs on 21/07/2022 exhibition was inaugurated by the dignitaries. Dr. Deepak Kumar Sinha Director AMD Hyderabad, Rear Admiral Sanjay Chaubey, CMD ECIL Hyderabad visited the stall of HWB wherein they were welcomed by Shri S Satyakumar, GM(Technical) & Shri B. T. Seshasayee, Head(S H & E). Shri S Satyakumar explained various activities of HWB to the guests and there was in depth discussion on the topic. Later many journalists visited the STALL and discussed specialization of HWB and various products which are being used for societal benefits., Smt Ananya Verma SO/F &, Shri Ch. Goutham SO/F, HWB also explained the services and products of HWB to the journalists and visitors.

In the afternoon session on 22/07/2022 lectures by scientists of ECIL, IGCAR, HWB & BARC were arranged in AMD lecture hall for journalists. Shri S Satyakumar, GM(Technical), HWB delivered a lecture explaining products and services offered by HWB for the benefit of society as well as nuclear industry. At the end of the lecture there was question/answer session wherein many journalists asked their questions to Shri S Satyakumar and they were pleasantly replied.

This program was a good window to get in touch with media fraternity and explain them the activities of HWB.
