

2nd DAE conclave

To continue celebrating DAE achievements 2nd Conclave was organised by TIFR-BRNS at Jehangir Bhabha Auditorium TIFR, Colaba, Mumbai, from January 14 to January 18, 2026.

Lecture on vast range of topics like Molten salt and gas cooled reactors, fast breeder reactors, quantum communications, clinical cancer research, multimessenger astronomy, AI & ML etc were held in these 5 days. Posters and exhibitions on various new technologies of DAE were also the part of this event.

Seven officials participated in the event from various units of Heavy Water Board. HWB also participated in the event by showcasing various products of HWB through a STALL in the exhibition. Educators, researchers, scientists, industry experts etc. visited HWB stall and enquired about various products of HWB. Dr. Ajit Kumar Mohanty, Chairman AEC & Secretary DAE also visited the HWB stall and had discussion new activities of HWB.
