Occupational Health and Safety (OHS) Policy of HWB

We, at Heavy Water Board, are committed to provide and maintain safe and healthy conditions for employees, which is essential for achieving business excellence. We will strive to continuously improve the same by

- Giving utmost priority to safety in all our activities and shall be on top of the agenda during meetings, seminars, presentations etc.
- Ensuring compliance to applicable statutory requirements.
- Assessing the potential risks including those arising from release of hazardous material and taking proactive measures for prevention of all kinds of harm.
- Demonstrating our readiness to take up new assignments for production of specialty materials in safe manner in accordance with the DAE's mandate.
- Educating & motivating employees including contract workers about OHS obligations and working towards promoting their health awareness.
- Periodic review of OHS objectives and targets.
- Training and re-training of all employees to keep them updated.

HWB management strongly believes in maintaining and promoting the well-being of employees by adopting a policy of Zero harm.

(V.V.S.A Prasad)
