

Dr. U. Kamachi Mudali, Chairman & Chief Executive, HWB as Chief Guest attended National Science Day-2020 organized by Indian Women Scientists' Association- Kalpakkam Branch supported by HWB at Kalpakkam on 18th January 2020.

National Science Day-2020
 Organized by
Indian women Scientists' Association
Kalpakkam Branch
 January 18, 2020
 GSO Auditorium, Kalpakkam

Wheeling the Technology for Indigenization

Heavy Water Production

Boron Isotope Separation   **Nuclear Solvents Production** 

Technologies for self-reliance in Nuclear Power

Technologies for Healthcare   **Technologies for Environment care** 

Oxygen - 18 Water  **Harnessing Solar Power** 

D.O for Deuterated Drugs & Vaccines  **Deuterium Depleted Water**  **Flue Gas Conditioning** 

Development of Novel Technologies, Equipment & Products

Technology for Nuclear Grade Sodium  **Deuterium Gas & Products**  **Gas-Liquid Contacting Devices**  **Liquid-Liquid Contacting Devices** 

Canned Motor Pump  **Ammonia Cracker Catalyst**  **Vapour Absorption Refrigeration** 

Supported By Heavy Water Board, DAE, Mumbai
